- Microbiological definition:

  m: Level of the test organism which is acceptable and attainable in food. It separates good quality from marginally acceptable quality; up to and including M.

  M: The upper acceptable concentration of a test organism. A count above M for any sample unit is unacceptable.

  c: Maximum allowable number of result between m and M.

  n: Number of sample units chosen separately and independently.

## PACKAGING

Primary pack	:	stic bucket with cup		
Secondary pack	:	on with inside 2 plastic bucket		
Net weight	:	7 kg (2 x 3,5 Kg)		
Packs for layer	:	12		
Number of layer	:	9		
Pallet type	:	800x1200 mm (108 cartons)		

The label, present on the Primary pack, contains legal wordings in accordance with regulations.

Transport :	At ambient storage temperature		
Certification :	Goods will have Certificate with the following analysis: in accordance with internal plan as per the customer		
	The product, in the original packaging, preserved in a fresh and dry storage (10-25°C), will remain unchanged		
Maintinance and Durability :	from the original characteristics for 24 months from the date of production. If the original packaging is opened,		
Maintinance and Durability .	the characteristics will remain unchanged for 30 days, if all the hygienic requirements are respected. Storage		
	conditions: Cool, dry storage, free from foreign odours and infestation.		
	See table section "ALLERGENS". Mix the product before use.		
Formality and Limits of Use :	Pour the product on ice-cream layers, then make it freezy to obtain the desired result.		

Recommended dosage : How much is necessary
The quality system of NAPPI 1911 conforms to the requirements BRC and IFS.

The company has an internal chemical-physical and bacteriological laboratory. Utilizes external laboratories certificates as well.

The company operates under H.A.C.C.P.

A sampling plan provides for the internal analysis drawn from raw materials, semi-manufactured and finished product. The analytical methods used are in accordance with the current legislation.
